

## Work Completion Certificate

August 27, 2020

This is to certify that **Infrastructure Development and Consulting Company (IDCC)** has successfully completed the sub-consultancy services for the technical feasibility of the Rwanda Transmission System Reinforcement and Last Mile Connectivity Project.

This work was part of the Feasibility Studies undertaken by IBC Group on the behalf of the Rwanda Energy Group (REG) Ltd.

The feasibility Study was conducted during the period of March – June 2020. The feasibility was diligently implemented and meets the client minimum requirements and was therefore approved by the relevant Authorities.

In witness thereof, this Certificate of work completion is delivered to Infrastructure Development and Consulting Company (IDCC) to serve as an authentic document wherever deemed necessary and required.

Thanking you and assuring you for our best services always

Dr Juvenal ~~HATEGEKIMANA~~  
CEO, IBC Group
