WORK COMPLETION CERTIFICATE

TO WHO IT MAY CONCERN

Name of the project: Business Plan for the establishment of LPG Filling plant in Kamonyi District

Description of work done: Analysis of the technical and economic viability of installing an LPG plant in Kamonyi District including environmental aspects.

Work Period: September to October 2015

This is to certify that Infrastructure Development and Consulting Company Ltd has successfully completed the project.

The feasibility study was diligently implemented to the minimum requirements of the client and therefore accepted.

We thank you
